Career Objective

To obtain a position where I can fully utilize my skills and abilities, while having ample opportunities to improve and develop them even more

Education

- Bachelor of Technology in Computer Science And Engineering at National Institute Of Technology, Calicut 2019 2023
CGPA : 8.47
- Higher Secondary Education at Kuriakose Elias English Medium School, Kottayam 2017 2019
Percentage: 97 %
- Secondary Education at SFS Public School, Ettumanoor 2015 2017
Percentage: 95 %

Projects

- Netflix Clone with React.js**
Developed a clone of the front-end of the popular streaming website, Netflix. The website is responsive, and the data is updated live with the help of the TMDB web API. It is hosted with Google Firebase at <https://netflix-clone-49104.web.app/>
- Full Stack Social Media App**
Developed with Flask, JavaScript and SQLite. Users can perform common actions usually present in a social media website, with the help of a friendly UI. The website is hosted with Heroku at <https://socialmapp.herokuapp.com/>
